

MYM DYNASTY PROGRAM

2024-2025

Please read the following in its entirety. It contains all the information you will need to make your decision to audition for and become a part of the MYM Competition Teams.

We would like to express the importance of discussing the financial commitment of the MYM Dynasty Program as a family or with spouses BEFORE auditions to make sure you are aware of all the financial obligations! *Being an MYM Dynasty member is both a TIME and MONETARY commitment! Costumes, competition fees, and tuition really add up and we want to make sure you are well informed and make realistic decisions! *See inside for cost breakdown.

Overview

The following is the 2024-2025 MYM Dynasty Program Audition Information and Team Contract. Please read over carefully, even if you have been a Dynasty Team member in the past. This packet contains information that is important to understand and comply with. It also contains information on how and when to register for classes, events, and payment breakdowns for the season.

A mandatory new parent meeting will be held on July 17 at 7:30 for incoming members. We will go over information in this agreement and answer any questions you have about unclear information.

Becoming a TEAM member requires a significant amount of time, commitment, hard work and responsibility. We provide this information packet in order to educate interested individuals and to explain the policies set forth by the directors. It is of utmost importance that you consider all of the dynamics associated with committing to the TEAM before auditioning for MYM.

Dynasty Elite Teams

Dynasty Elite represents MYM's premier, most advanced level of our performing/competing companies consisting of leveled dancers who train an average of 6-15 hours per week- demonstrating skilled technique, advanced movement styles and an unparalleled performance quality. These dancers choose Dynasty Elite as a PRIORITY over all other extra activities and understand that, more than likely, they may not be able to commit to other activities throughout the year. These dancers attend competitions and conventions on the regional and national level and are expected to be well-rounded, poised and extremely focused dancers while adhering to the intense demands (monetary and time) expected of Elites. AGAIN - Please note that the commitment to Dynasty Elite is a big one...not leaving extra time for other serious, outside activities.

This is important to understand before pursuing a spot on any Dynasty Elite team. MYM offers performance/competition groups other than Elite, for dancers who would like to be a part of the competition circuit while pursuing other opportunities and activities or who are not able to fulfill the time and/or monetary commitment of Dynasty Elite.

AUDITION INFORMATION

2024-2025

Placements:

How are dancers chosen for each team?

- **Judging Panel.** The judging panel will select the placement for all teams. Placement is based on age, ability, technique, required skills and score sheets. (Please see *required skills page*). It is not strictly based on age.
- **Required Skills.** Each TEAM has a projected skill-set requirement (please see *required skills page*). Dancer will be placed on TEAM closest to their skill-set, and what we feel they will progress best on this season.
- **Technique, body lines, maturity, age, and style.** These are just a few of the MANY factors we take into consideration on how dancers are considered for TEAMS. Dancers are placed based on how well they dance together (style), technical abilities (skill-set), rate of progression (are they ready for the next challenge or do they need time to build self esteem, maturity, classroom etiquette, etc), ability to comprehend/understand choreography (maturity), and age (TEAMS compete in different age levels and ability categories- we average our TEAMS so they will be able to compete appropriately.)
- **Class Attendance.** If dancer is a previous MYM member, we take **absences** into great consideration when placing dancer on a TEAM. Excessive absences (**especially in Ballet**), frequently sitting out, or prioritizing other activities over the team, shows a lack of internal drive and dedication to the **TEAM first mindset**.
- **Parent ATTITUDE!** Parents: a negative attitude at any time is not helpful to your dancer's TEAM placement. Parents must support and uplift other dancers, MYM, and MYM faculty at all times. Disgruntled behavior, non-communication, or the desire to continually stir up gossip will result in NOT being placed on a team.
- **Understanding!** It is necessary for **parent and dancer** to graciously **ACCEPT AND UNDERSTAND** their TEAM placement. Just because they were put on a team that they thought they should not have been put on does not mean anything negative towards the dancer. It means that we believe this is the **best place** for your dancer this year. In Addition, understand that the results of the choices that we made will not be discussed via texts, emails, messages or phone as they are already discussed thoroughly with the panel of judges and directors.

PLEASE TRUST OUR JUDGEMENT!

How to Join?

- **Audition Process:** dancer will be placed by director on the appropriate team-(please see page 3). Previous years' performance, class attendance, **emotional maturity** and **attitude DOES** reflect placement levels. **PLEASE NOTE:** The placement of students on teams should *not be challenged* as directors will place students to where they think students will perform best for themselves and the team. Please trust that we will place your dancer in the appropriate group for them to maximize their learning and growth.
- **Invitation:** Invitations may be sent from directors to certain dancers at MYM.
- **NEW Students:** If entering MYM after auditions and after the dance year has begun, new students may audition privately for Director and will only be admitted to the team upon Director's discretion.

What team?

1. **DYNASTY ELITE** -Elite teams have a considerable amount of monetary and time commitment. MYM also has a pre-competitive performance program that is more affordable and is a great way to enjoy all the benefits of the MYM Dynasty atmosphere without the large financial burden and time commitment.
2. **Dancers and parents** should thoroughly research and discuss all time and monetary commitments before choosing to audition. (ie, is it more important to spend time with your school activities/friends or team?- this is a question you should ask your dancer before auditioning) It is also wise to be prepared for whatever team you are chosen for as there are many factors Involved.
